Cake Mania - Panettone

Panettone requires special know-how and operations. We have one of the best quality-price ratio in Europe. Each year our network of customers for Panettone is increasing significantly. TIMS Ltd. is the only producer of Panettone in Bulgaria.

We first started developing this kind of products in 2000 using Italian know-how and technologies. We work only with high quality raw materials from the best suppliers in Europe and around the world.

Only for a few years our brand cake MANIA won consumers trust. It provides the desired taste, smell, sight and touch at lower price levels than other foreign manufacturers. We are the main supplier of Panettone in Bulgaria and we supply Kaufland and Penny Romania as well. Our product is listed permanently in Bulgaria and we deliver it on a regularly basis.

Taralli Don Maralli

We use authentic recipes, machines and know-how to manufacture this product. Most of the raw materials are imported from the best European suppliers. We only work with high quality Olive Oil - main difference with other analogs, which are primarily manufactured by using different types of hydrogenated vegetable oils.

One of the best marketing agencies in Bulgaria helped us develop the "Taralli Don Maralli" brand, the imaginary character- Don Maralli and the package itself. Please visit www.donmaralli.com/en to learn more about Don Maralli's history, his recipes and the perfect combination for Taralli.
